

Journal Prompts

During our conversation, these questions will provide an opportunity for reflection on how we understand place and impact change.

Think about the place you grew up. What comes to mind?

When you became an adult... Did you leave the place where you grew up? Or did you stay?

Where you live now... Is it similar to or different from your neighborhood as a kid?

AFTER OCF'S PRESENTATION:

How do the four areas of focus show up in your neighborhood today?

- **Education**
- **Employment rates**
- **Social capital**
- **Integration**

How about the neighborhood next to yours?

- **Education**
- **Employment rates**
- **Social capital**
- **Integration**

What could you shift, as one small step, to act on what you've discovered?
